

YOUNG PEOPLE AND EDUCATION BURSARY FUND

Supported by EBAC, Guy Readman/Tor Coatings, David and Barbara Watson and Alex Worrall

Who can apply?

This Fund makes grants of up to £2000, to young people up to the age of 25, whose home is in County Durham or Darlington. They will also support individuals of any age who are *achieving against the odds*. In particular the donors wish to support young people (e.g. ex-offenders, young carers), who show initiative and need help to achieve their own potential, or to excel in a particular skill or ability for example in the fields of music, performing arts, education and sport. Young people who are undertaking volunteer work with Project Trust may receive a small donation (approx. £100).

You can only hold **one grant per individual** each financial year starting in April.

You should have explored and exhausted all available statutory sources of funding and provision for your proposed activity before you apply to us.

How to apply:

Complete and return the attached application form. During the assessment of your application you will be contacted by one of our assessors. It is important therefore that you include on the form both daytime and evening contact phone numbers.

You will also need to include a reference from a social worker, teacher or professional advisor in a related field who knows you and can support your request (a reference form is included with this application form). Please include a telephone number and ask permission for us to contact him/her if necessary. We encourage people to make their own applications and if you have any questions about application procedures, please ring Brenda who will be happy to help.

We cannot make retrospective awards so please ensure that you allow three months from the time of your application to the start date of your project.

DO NOT START YOUR ACTIVITY OR SPEND ANY MONEY UNTIL YOUR AWARD HAS BEEN CONFIRMED IN WRITING.
